firefly.

Before it goes live.

A website or campaign needs more than a final visual check.

A clear plan for the work.

firefly.

Walk through the customer journey.

Read the offer. Check the phone layout. Follow the links. Try the form or checkout. Review the approved content and budget.

One useful step at a time.

firefly.

Leave the next owner ready.

Agree account access, documentation, responsibilities and what will be reviewed after launch.
